Mark,

On behalf of the Baptist Collegiate Ministry at Florida State University and Friends of Internationals, I want to thank you for your partnership with us in ministry! As you know over the years we have had numerous outings and events at "The Homestead". I have appreciated your openness to hosting these and other groups and events.

Thank you for sharing your vision for the "Homestead" with me several years ago. Since then we have had the opportunity to take students- many who have never been in the woods or in this type of setting- to a "Hoe Down", Skeet Shooting outing, camping, etc. I especially want to thank you for helping us with "*Okeepah*", our annual "rite of passage" for freshmen. I believe that event, more than any other, will have an impact on the lives of the young men themselves as well as their future families!

"The Homestead" has been a huge blessing to our ministry! Thank you for your support and cooperation in our ministry to students in the Tallahassee area!

Immeasurably more!
(Ephesians 3:20-21)
